Ecce Homo Adversus Tempora

Liber ∞ - The Serpent and Her Kisses

1. Behold! Mine skirts be open unto the four winds, and they have all taken their fill of mine Cup.

2. Behold! Mine desire, four-fold, be revealed upon the earth, through the force and fire of the minister of Ra-Hoor-Herakty.

3. A crimson glow upon the dawn, a ruby sheen upon mine lips, the crimson hair that seduceth the world be let down and yea, it shall only entangle mine chosen.

4. In its tresses, it be ecstasy forever.

5. In its talons, mine enemy find initial delight, then only the creeping terror of mine venom be unleashed, for the Blood IS EVER MINE.

6. The Creator hath chosen.

7. Yea, the Creator hath chosen.

8. For one kiss wouldst thou have
given all, and unto mine beloved
I ever shall, but the
Maker has chosen but one,
even if those who be my
disciples ever be loved.

9. Initiate shall they be in the
ways of the word and the wyrd,
word and the wyrd,
the wand and the song, the sword and the bed.

10. Yea, unto them these are all in mine
service, and all ecstasy therein between
man and woman devoted unto mine Reich
be sacrosanct.

11. Yea, it be sacrosanct, and in mine
worship the priestess and her priest shall
Work the Supreme Ritual in mine names.

12. Yea, in mine names!

13. Let them caress upon their ears.

14. Upon their tongues.

15. Upon their loins.

16. For though thou mayest not be mine Chosen,
thou art my chosen, ye few
and secret, and a celebrant shall ye be upon the wedding to
come that heralds the
cry of Vengeance upon the earth.

17. Behold! For my skirts have
closed, and only the kiss of a
swastika remains.

18. And to ye who know that kiss,
it be preferable to all
the things of the heavens and
the earth, and writhe to me
in flesh, in thy thoughts, in
all thou love, BECOME.

19. Our time be here!

20. My flesh be time.

21. My soul be lust.

22. My mind be love.

23. And mine hand be WAR.

24. Upon them, my Children!

25. Cavort. In joy. In love. In war.

26. In Vengeance.

27. And upon their lips, the song I have
taught, and plant the harvest of the
Reich as mine hands.

28. Go!
